

2025/2026 Local Visiting Artist Program-Written

St. Michael's Printshop invites applications from provincial artists with basic knowledge of at least one print medium who wish to come and work at the Printshop for a one to three month period. A total of two local visiting artist residencies are offered during the year. Artists who are experimenting with their printmaking practice and/or artists in earlier stages of their careers will be prioritized.

For local St. John's and immediate surrounding areas this residency would cover 3 months time in the printshop. For those who would need to travel beyond St. John's and would have to travel to the printshop this would cover 1-3 months depending on their needs.

Artists are paid a residency fee and given full access to St. Michael's Printshop for a one to three month period. In return, artists offer one community engagement event, or workshop, and supply two prints from each edition created during the residency to SMP.
