

# 2026/27 Visiting Artist Program

Deadline: Monday, March 2nd, 2026

Notification of results: by mid April, 2026

All applicants will be notified of the outcome.

Spots Available: 6

Each year St. Michael's Printshop invites applications from provincial, national and international artists who wish to come and work at the Printshop for a one-month period. A total of six residencies are offered during the year. One spot is reserved for an artist based in Newfoundland and Labrador. An additional space may become available for an Ink Fest visiting artist during October 2026, depending on project funding. Artists who have participated in one of our residencies in the past 2 years are not eligible to apply.

Artists are paid a residency fee and given full access to St. Michael's Printshop for a one month period. In return, artists offer one community engagement event, or workshop, and supply two prints from each edition created during the residency to SMP.
